[YOUR TIME IS NOW]

INNOVATION

The Innovation introduces three new series to the Concept range, the 500, 600 & 700 variants, offering rear and mid-door entry. Built to the same demanding quality levels as all Concept caravans, the Innovation has a spacious and contemporary interior with layouts to accommodate the whole family. The stylish exterior has numerous practical inclusions, such as a combination of aluminium and composite cladding, checkerplates, double glazed windows coupled with the latest in technology with touch panel battery and tank level monitoring, solar panel with regulator, Ibis 4 air-conditioner. Add to these a host of luxury features including leather look upholstery, the latest in matt or gloss finish doors fitted to flush finish cabinetry, soft close drawers and LED strip lights, all carefully planned to ensure you have the most enjoyable travels.

You know your towing experience is going to be exceptional because the body sits atop a Preston Built Chassis coupled with industry recognised and proven suspensions systems to match the van. All this adds up to exceptional value for money.

A Concept Innovation, Your Time is Now.
